## **North End Community Hall Fundraising Auction**

We want to say a HUGE thank you to all of our sponsors and NEBC community and members who have donated prizes and their skills/promises. Your generosity has been amazing and it's only thanks to you that this event is possible. We truly appreciate you and your support for the community!

Please bid generously and within your means at the auction to support a great cause! Every pound that we raise will go directly to the much-needed renovation of our Community Hall. The hall is home to Portsmouth's first and largest 'Your Local' food pantry reaching 400 local people a week, as well as 25+ other great community causes – from Gamblers Anonymous & Narcotics Anonymous meetings to mental health groups, older people and children's clubs.

Please note that some of our prizes are family tickets, however you are very welcome to bid for these if you are a smaller group. If you want to attend as a larger group than your prize covers, it's often possible to purchase extra tickets subject to availability – just enquire directly with the venue.

If you enjoy your prize, we would encourage you to spread the word with your family and friends and leave our generous sponsors a positive review!

A huge thanks also to all the volunteers who have helped to make this event possible. Special thanks also to Darragh Gray for his hard work in securing so many donations. Well done everyone!
